

Riskex Safe2Day SME Risk Assessment Tool: Freemium Version:

Appendix 1 to Riskex Standard Terms and Conditions

(last reviewed and updated 23rd September 2024)

Special terms for Safe2Day SME Risk Assessment Tool which are appended to the main terms in the link below:

It is understood and agreed that Riskex is providing this service at no cost, to support small businesses based in the UK with carrying out legally compliant Workplace Health and Safety Risk Assessments and that for the Safe2Day SME Risk Assessment Tool the usual Riskex performance SLAs will not apply.

- 1.** These Appendix 1 terms are in addition to the Standard Terms and Conditions and in the event of any conflict among the various portions of this agreement, the terms in this Appendix 1 shall prevail.
- 2.** This service is provided free of charge to UK registered organisations by accepting the terms of this free license.
- 3.** You undertake that you have authorisation to sign up for this service by your company or organisation.
- 4.** All responsibility for managing the information collected by this service is the sole responsibility of the Customer or Clients. No responsibility or liability rests with Riskex.
- 5.** Save as provided by law, Riskex accepts no liability of any kind in respect of the performance of the Safe2Day SME Risk Assessment Tool
- 6.** You undertake not to misuse this service and to use the service only to safeguard the health and safety of persons that you manage or employ.
- 7.** Data is owned by your organisation. You should save PDFs of all Risk Assessments produced using the Safe2Day SME Risk Assessment Tool as Riskex cannot provide copies of these.
- 8.** All sensitive and personal data will be protected by multiple security methods and data kept encrypted within our database. If Riskex withdraws the provision of the Safe2Day SME Risk Assessment Tool then all data will be securely deleted.
- 9.** Riskex may withdraw or amend the Safe2Day SME Risk Assessment Tool in its sole and absolute discretion at any time.
- 10.** Riskex may terminate access to the Safe2Day SME Risk Assessment Tool at any time at its absolute discretion.
